## The President Speaks

By Chase Hanna

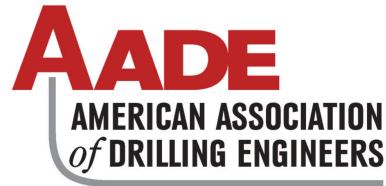

The Sporting Clay Tournament was held August 19<sup>th</sup> at the Dallas Gun Club. We had an excellent turnout this year with 520 participants. All early indications are that the event was a tremendous success and the proceeds will go a long way towards meeting our scholarship goals. Thank you to all the participants, volunteers and sponsors. Without each of you this event would not have been possible.

The Golf Tournament is scheduled for October 3<sup>rd</sup> at Firewheel Golf Club in Garland, TX. This event, along with the Sporting Clay Tournament, serves as a fundraiser for AADE scholarships. We're looking forward to another great turnout this year.

At the July meeting, Mark Whitley with Range Resources discussed "Marcellus Activity, Progress and Lessons Learned." The activity level in the Marcellus remains high in spite of low natural gas prices as certain areas of the field benefit from liquids rich streams as well as close proximity to gas consuming markets. Mark also introduced the early results of their Upper Devonian and Utica Shale tests.

The September meeting will be held at Brookhaven Country Club. Mike Chambers, VP of Operations & East Texas North Louisiana General Manager of EXCO Resources, will be presenting "An Update of the U.S. Gas Market and an Overview of EXCO's Haynesville Shale Drilling and Completions." Please make an effort to attend, bring a guest and support the monthly meeting. Advanced registration is appreciated by Friday, September 18<sup>th</sup> through our online service, details found below. I hope to see all of you at the September meeting.
