February 2013

The President Speaks By Chase Hanna

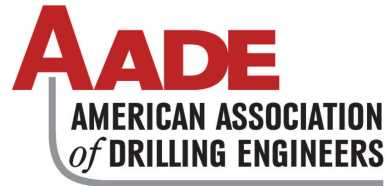

The Mid-Continent Chapter will be hosting the 2013 AADE National Technical Conference and Exhibition on February 26th and 27th in Oklahoma City. Currently more than 900 participants are registered to attend. If you're not one of them, you're missing out! Please visit www.aade.org to view the agenda and register for the event.

We had a great crowd of over 130 guests attend last month's Operators' Forum at Brookhaven Country Club. Ernie Easley of BOPCO and Mike Chambers with EXCO both presented their company overviews and 2013 outlook. Thank you to our presenters and all who attended.

The February meeting will be held at the Fort Worth Petroleum Club. Representatives from Archer and Baker Hughes will present as part of our Contractors' Forum. Please make an effort to attend, bring a guest and support the monthly meeting. Advanced registration is appreciated by Tuesday, February 19th through our online service, details found below. I hope to see all of you at the February meeting.

Our 2013 membership year runs January to December. Please find an application attached to the newsletter. You can bring the application to the February meeting or preferably register online. The membership fee is \$20. You must be a member to qualify to vote in both National and DFW Chapter elections.
