The President Speaks

By Chase Hanna

Nominations for officers and three steering committee members will be taken at the April meeting with elections to follow in May. You must be a current member to vote so it's time to renew your membership online or at the April meeting.

We had a great crowd of 83 guests attend the February Service Company Forum at the Petroleum Club of Fort Worth. Greg Price of Archer Directional and Bob Welch with Baker Hughes, Inc. both presented their perspectives on the industry. Thank you to our presenters and all who attended.

This month our meeting will be held at the Brookhaven Country Club. Richard Reischman, Sr. Production Stimulation Engineer with Schlumberger, will be presenting "Logging Difficult Wells with a Driller-Friendly Conveyance System".

Please make an effort to attend, bring a guest and support the monthly meeting. Advanced registration is appreciated by Tuesday, April 16th through our online service, details found below.
