The President Speaks

By Chase Hanna

Elections for the 2013-2014 officers and three steering committee members will be held at the May meeting in Fort Worth. The officer term runs June 1, 2013 to May 31, 2014, and the steering committee term runs June 1, 2013 to May 31, 2016. If you are not able to attend the May meeting and desire to vote absentee, please contact Steve Davis at steve.davis1@halliburton.com. You must be a current member to vote, so it's time to renew your membership online, by mail or at the May meeting.

Last month Richard Reischman with ThruBit Logging Systems presented, "Logging Difficult Wells with a Driller-Friendly Conveyance System." Thank you to our presenter and all who attended.

This month our meeting will be held at the Fort Worth Petroleum Club. Justin Lisowski, Rotating Equipment Engineer with Encana Oil & Gas (USA) Inc, will be discussing "Fueling with Natural Gas: Applications in Today's Oil & Gas Industry."

Please make an effort to attend, bring a guest and support the monthly meeting. Advanced registration is appreciated by Tuesday, May 14th through our online service, details found below.

An early note: In June we will be hosting our meeting at a new location, Stonebriar Country Club in Frisco, TX.
