## *The President Speaks*

By Chase Hanna

The 20th Annual AADE Sporting Clay Tournament was hosted on August 15th and 16th at the Dallas Gun Club. We had another excellent turnout this year, with more than 500 shooters participating. The event was once again a tremendous success raising tens of thousands of dollars for the scholarship fund. These proceeds go a long way towards reaching our scholarship goals. Don Pearce and the Sporting Clay Committee put on another spectacular event. Thank you to all the participants, volunteers and sponsors. Without each of you this event would not have been possible.

Registration is still underway for the 24th Annual AADE Golf Tournament, scheduled for October 7th at Firewheel Golf Club in Garland, TX. This event also serves as a major fundraiser for college scholarships. Please return your registration form as soon as possible as the event date is quickly approaching and you definitely don't want to miss out!

Applications are currently being accepted for the 2013 DFW AADE Scholarship Program. If you know any deserving college students pursuing a degree in petroleum or natural gas engineering, please refer them to our website for more information.

The September meeting will be at the **Las Colinas Country Club in Irving**. Brad Keating, President of Electric Drilling Technologies, and Ryan Stricklin, Drilling Engineer with Chesapeake, will be presenting "Environmental Friendly Drilling." Please make an effort to attend, bring a guest and support the monthly meeting. Advance registration is appreciated by Tuesday, September 17th through our online service; details found below. I hope to see each of you at the September meeting.
