The President Speaks

By Chase Hanna

The 24th Annual AADE Golf Tournament was held on October 7th at Firewheel Golf Club in Garland. Dan Lockwood, committee chairman, reports that the tournament was once again a resounding success. Thank you to Dan, the committee members, sponsors, volunteers and participants who contributed to make this event one of the best in the industry.

The scholarship committee has received an abundance of applications and is in the process of selecting deserving recipients. Thank you to all who have contributed to our fundraisers this year to further the education of Petroleum students across the county. The awards will be listed in next month's newsletter.

It's time to break out the Egg Nog as the holidays are quickly approaching. We'll be hosting our annual AADE Christmas Party at the Hilton Anatole on Saturday, December 14th. Information regarding tables and sponsorships is enclosed, and we hope you'll participate. The event reservation deadline is November 30th.

The November meeting will be held at the Petroleum Club of Fort Worth. This month's speaker will be Ali Rodriguez, North American MWD Product Line Manager for Weatherford Drilling Services. Ali will discuss "EM Casing Link Services." This technology further expands the application of EM (electromagnetic telemetry) into new formations and depths that were not previously achievable.

Please make an effort to attend, bring a guest and support the monthly meeting. Advanced registration is appreciated by Tuesday, November 19th through our online system, details below. I hope to see all of you at the November meeting.
