The President Speaks By Chase Hanna

Nominations for officers and three steering committee members will be taken at the April meeting with elections to follow in May. You must be a current member to vote so it's time to renew your membership online or at the April meeting.

We had a great turnout in February for our Annual Contractor's Forum. Justin McMillan with Ulterra presented "Counterforce – Innovation Through Focus." Loyd Roberson of Newpark Drilling Fluids presented "High Performance Water Based Mud Technology Advancement in the Global Market." Thank you to our presenters and all who attended.

This month our meeting will be held at the Fort Worth Petroleum Club. Steve Vorenkamp, Ambassador at Large, Semi-Retired Master Well Control Trainer and Advanced IADC/API Facilitator with Wild Well Control, will be presenting a case study on Pre and Post Macondo Emergency Response / Risk Management Procedures. Please make an effort to attend, bring a guest and support the monthly meeting. Advanced registration is appreciated by Tuesday, April 15th through our online service, details found below.
