## The President Speaks

By Rene St Pierre

Our next dinner meeting is coming up on Wednesday Jan 21 at the Ft Worth Petroleum Club. This is our annual **OPERATOR'S FORUM**. Guest speakers from Pioneer Natural Resources, MD America and Atlas Resource Partners are on board to discuss activity, address industry concerns and a brief biography about their business models. You will enjoy hearing a cross section from the big player to the small energy operator's perspective to our business. When you sign up online, be sure to also re-new your annual membership when using the web based software 123 signup.

Results of the DFW AADE 2015-2016 Scholarship Program award recipients' are now official. Andrew Hunter (Committee Chairman), Scott Lowry, Cody Roark, Dra Parr and Johnathan Kollar are to be commended for their hard work. THANKS! Because of the funds raised by industry sponsorships at the Sporting Clay Shoot, Golf Tournament, and our first ever 5F event; our Chapter was able to award \$60,000 to 20 deserving students representing 7 of the 13 universities that submitted candidates! In the last six year period: our chapter has awarded more than \$380,000 to college students that are oriented towards the oil and gas industry.

The 2nd Annual AADE Fin, Fur, Feather Food Fest (5F) will be held in late February or March 2016 at a site to be determined. This is an opportunity for all you chef's out there to show off your culinary skills (bragging rights) plus enjoy time with you and your family networking with the DFW O&G community. Details will be available very soon on the venue, so stay tuned! If you have never attended one of these events that have taken place at other AADE Chapters, you are missing out on an enjoyable event.

Thanks for those of you (11% or 95 members participated) that submitted a vote for the National Directors-at-Large election (2016-2018 term) held back in Nov 2015. Our own Chase Hanna was re-elected for another three year period. Congratulations', Chase!

And finally, the chapter board as reviewed and released to the web link the results of our Chapter membership survey that was sent out last fall. Thanks to those of you that responded to this survey (152 members) regarding ways to improve the future of our fine organization. We have a lot of work to do here, based on several valuable observations made by the membership of this chapter!
