The President Speaks

By Christopher Stacy

FUN. One area that drew me to the Oilfield was the amount of fun everyone seemed to be having. Whether it was the people working outside in remote locations or the multitude of social activities, everything intrigued me. I think we can all agree that with the current state of our industry the level of fun activities has been reduced. However, within the AADE DFW Chapter, we specialize in making sure we keep the FUN in the Oilfield.

Last month we held our 23rd Annual Sporting Clay and once again our committee and membership held up our reputation of holding one of the best Sporting Clay's in the Lower 48. Even with an industry that has experienced more than 40% reduction in budgets, reduction of more than 30% in income, record temperatures of over 107°F, and a last minute heavy thunderstorm our event was still a success. The event accommodated 520 participants, ran two courses, shot three flights, handed out over 350 prizes all while raising over \$11,000 towards scholarships. Thank you all for helping to make the Oilfield FUN.

October 3rd we will be hosting our 27th Annual 2-man Golf Scramble at the Firewheel Golf Club in Garland, TX. I ask for your continued support for this event and remember to take some time to implement some fun.
