This kickoff event for the 21st Annual Gulf of Mexico Deepwater Technical Symposium is a unique competitive oilfield cook-off giving cook teams the opportunity to show off their culinary skills and favorite recipes. There are 3 divisions – Fin, Feather, and Fur along with People's Choice. The teams will be judged by a panel of local chefs. Judging will begin at 6:00. Trophies are given to winners in each division. Showmanship is awarded to the top team that decorate their area and will hold title until the next F5 event.

Each team furnishes ingredients and prepares a dish from scratch no earlier than 36 hours prior to the event.

This is an adult-only oil and gas industry event and is not open to the public. The evening will be filled with great food and fun, along with networking opportunities.

Proceeds from the event will help fund scholarships and other educational efforts at the following colleges: Louisiana State University, Mississippi State University, University of New Orleans, and Nicholls State University.

Tickets for the event are \$40 each and can be purchased online at <https://www.123signup.com/register?id=nynmp>

No charge for University Students (Students **must** pre-register by visiting the AADE Website)
