

The Dallas/Fort Worth Driller

The Newsletter of The American Association of Drilling Engineers Dallas/Fort Worth Chapter

Volume 28 Issue 6 – September 2018

<http://www.aade.org/chapters/dallas-ft-worth/>

Registration is now open for our September 19th Lunch Meeting at La Cima: <https://www.123signup.com/register?id=hrqtv> . Our previous lunch meeting at this venue sold out so please register in advance to guarantee a spot. Mark Wilemon, Sr. Reservoir Engineer at Guidon Energy, will discuss “A Small Operator’s Learnings from Reservoir and Completions in the Midland Basin.” Mark is an industry leader on using data to optimize development and completion strategy. Mark is also an accomplished public speaker with a sharp sense of humor. Since opening its doors in 2016, Guidon Energy has invested a considerable amount of money in science projects for a company of its size, including a pressure monitoring well surrounded by a 4-well lateral spacing test.

SWHS Career Fair

Dan Bilka and Jack Doak recently represented AADE at The Career Fair at SWHS. Mr. Bilka reports that there was a lot of interest at our table. The AADE is proud to support the Petroleum Academy at Southwestern High School in Fort Worth which provides 5 days of professional development (at the high school campus) and an eight to twelve day, job shadowing opportunity for future engineering and geosciences students at various Fort Worth area petroleum exploration, production and service company locations. If you are interested in learning more about the program please contact Chairman Dan.Bilka@Halliburton.com
