PLEASE READ THE FOLLOWING CAREFULLY:

All fishermen must be members of AADE to enter the tournament. The team captain of every team must register their team on registration day either at the Houston Registration Location or at the Galveston Yacht Basin. **Any team that was not properly registered will be disqualified.** (Must be a minimum of two registered fishermen per boat). All fishermen will fish with rod and reel only. Boats must be a minimum of 14 feet long. The tournament directors highly recommend that kill switches be connected and U.S. Coast Guard approved life jackets be worn while main engine is running. Only one winning place per team, i.e., you can only win or place in one category of fish. Wade fishing is acceptable; for safety reasons your partner must be within talking distance. A team consists of a minimum of two (2) registered fishermen up to a maximum of six (6) registered fishermen. Only one team is allowed to fish on each boat. You must pay an additional \$350.00 for any additional two (2) fishermen on your team (i.e., four (4) man team - \$700.00, six (6) man team \$1,050.00). Regardless of team size, you may still be a winner in only one category of fish. Each team must stipulate a team captain; sportsmanship, courtesy, safety, and conservation are expected from each participant. Any fish, which does not meet legal minimum or is over the legal maximum size, will be grounds for disqualification of the team from the tournament. Live or artificial bait is acceptable. Guides or Charter Boats may be used during the tournament; however, the guides' catch may not be used for the weigh-in or any prize. First through third places for largest fish in each category: redfish (20" - 28" and tagged), speckled trout, flounder, kingfish, sheephead & ling. In addition, there will be two places paid for the biggest fish. There will also be one place paid for the largest hard head/gafftop. Ties will be broken by which team weighs-in the earliest. No outside beverages allowed on grounds.
