

Hello All Shooters!

It's time to sign-up for the **20th Annual AADE Sporting Clay Shoot**, scheduled for Friday June 7, 2019, at Windwalker Farms benefitting the Scholarship Program. Special thanks to our **Platinum Sponsor Ulterra**.

We're excited to announce **a new format for the shoot**. We have increased the number of shooters allowed by introducing a morning rotation and a pre-registration event the evening before at Green Tree Country Club.

Pre-Registration Event – June 6th - 4:00pm-7:30pm

All registered shooters are invited to Green Tree Country Club for an opportunity to pre-register your team and network. **Door prizes will be awarded at the pre-event**. AADE will provide (2) drinks with o'dourves. The purpose for the event is to encourage early sign-in, an opportunity to sign up all non-AADE members, and industry networking. It will be a come-and-go as you please and door prizes will be raffled off at 6pm sharp **(must be present to win)**.

AADE Shoot – June 7th

The morning rotation will start at 9:00am and the afternoon rotation at 1:30pm with the **Prize Drawings** starting at 12:00pm. We will also have our premium gun boards available for purchasing squares. The range is set up for 100 targets per course. Shooters will be squaded (6) on a first come first served basis. The maximum number of shooters for the morning rotation will be **180** and the afternoon rotation at **270**. **The shoot will be closed at (450) shooters!**

Please send your entry applications as soon as possible so you don't get left out! If you enter a team, but are not sure of your other shooters, don't wait. Send in your application with the full team entry fee and mark the other shooters as TBA. This will ensure your team entry. Please fill any open positions by May 25, 2019.

All shooters are required to be members of the Permian Basin AADE. www.AADE.org/About-AADE/Membership

Sponsorship forms and shooter entry forms are included in this letter. AADE is accepting credit card payment for entry and/or sponsorship payments.

Most of all, we want everyone to have a good time and a safe shoot!
