The President Speaks

By Jim Vernor

As we are all aware there was no DFW Chapter dinner meeting last month due to the National AADE Tech Conference in Houston. It is my understanding the all went well and the conference was a success.

Our dinner meeting for the month of May will be held at City Place on May 21, 2003. Our speaker will be Mr. Bill Foxenberg with M-I Drilling Fluids and his subject will be "Stress Corrosion Cracking". This is a problem many companies have experienced with tubulars while using high density clear completion fluids under certain conditions. Hopefully, Mr. Foxenberg will enlighten us on causes and cures for this problem.

The May meeting is also election of officers for the 2003-2004 year. Nominees for each position were taken in the March meeting and the nominated slate of candidates is as follows:

Steve Limke – Ascent Energy

Eric Williams – Baroid

Second Vice President

Dan Lockwood – NewTech Engineering
