## The President Speaks

By Mark Prestridge

With supply and demand issues combining with the value of the US dollar, I suppose we should expect oil prices to be higher than they have ever been. Both political parties are talking unwise policies for our industry. Be thankful for your jobs and be thankful that you can buy all the gasoline you need today.

I've commented before how I really believe that its people's attitudes that make the difference in how well our jobs go. Maybe I'm becoming more sensitive as I get a few years on me. I so much appreciate a good attitude with everyone that I come in contact, whether it's suppliers that make it possible to get the job done, management, or the roughnecks on the rig. Conversely, it's attitudes that sometimes are the most challenging to overcome.

I've been really blessed these past two years to work with a great group of guys on the Board of Directors of the D/FW AADE. Because of an overall great attitude and positive support, I have enjoyed serving as your Chapter President. I want to especially thank Matt Scott, Hoss Smith, Gary Allen, Jerry Gilley, Dan Lockwood, Alan McNaughton, J.P. Herzog, and Micah Bray for their going above and beyond the call of duty. The Board of Directors and the Steering Committee have both been very encouraging as we worked through the details of the D/FW AADE Chapter.

We all want this to be a great AADE Chapter, so we encourage your participation.

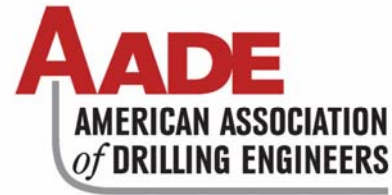

Chapter elections are coming up this meeting. See you at the Fort Worth Petroleum Club on Wednesday, May 21<sup>st</sup> at 4:30pm!

## Making Reservations

**New Reservations Policy** – We are trying to phase out the call in system, and go to an email system. For reservations, email your reservation to: [aadereservations@newtecheng.com](mailto:aadereservations@newtecheng.com).

When making your reservation by email, give the name/s and company of each attendee. Often times the voice messages are hard to understand. Going digital should help eliminate discrepancies in the spelling of names, and generally aid us in meeting preparation and record keeping. To use the call in number, dial 800-221-4826. When you get the main recording, push \*, then 3778, then #...leave your name and company after the AADE announcement.

## IADC Rotary Rig Report

Rotary Rigs Actually Making Hole  
As reported to IADC by Baker Hughes
