The President Speaks

By Mark Prestridge

Everyone is well aware that our two biggest fund-raisers are coming up. The Sporting Clay Tournament is August 16-17, and the Golf Tournament is October 1. Along with providing a technical exchange for the Drilling Industry, local chapters of AADE, such as ours, raise money to provide scholarships to Petroleum Engineering students throughout the U.S. who plan to go into drilling.

Our meetings are informative and provide a good opportunity to network with the local folks, and our events are always fun and enjoyable; but raising scholarship money is perhaps the most meaningful thing we do as an organization. It allows us to help build the future.

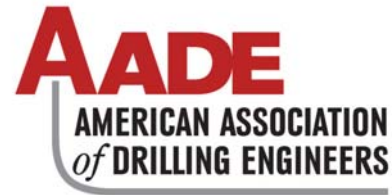

As you attend the meetings and events, consider that not only are you reaping the benefits of membership, you are working for the future preservation, if not innovation of our industry. Many Summer Interns, even in the DFW Metroplex, could possibly be a recipient of our scholarship funds. Hopefully, they will also be the recipient of our knowledge and experience. Remember to lend a hand to these young men and women; truly they are the future!

We'll see you July 18th at the Fort Worth Petroleum Club.

Making Reservations

New Reservations Policy – We are trying to phase out the call in system, and go to an email system. For reservations, email your reservation to: aadereservations@newtecheng.com.

When making your reservation by email, give the name/s and company of each attendee. Often times the voice messages are hard to understand. Going digital should help eliminate discrepancies in the spelling of names, and generally aid us in meeting preparation and record keeping. To use the call in number, dial 800-221-4826. When you get the main recording, push *, then 3778, then #...leave your name and company after the AADE announcement.
