## *The President Speaks*

By Jerry Gilley

John Richards resigned from the steering committee due to job relocation. Micah Bray has been elected by the BOD to fill the vacated steering committee position for the term 2010 – 2013.

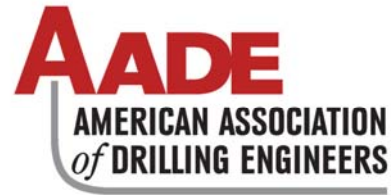

Registration is underway for the 17<sup>th</sup> Annual AADE Sporting Clays Tournament and Membership Drive scheduled for August 19 and 20 at the Dallas Gun Club. The registration form is in the newsletter. Repeating team sponsors may register early until July 19, when open registration begins. There are always great door prizes. This is one of our two annual fund raisers for scholarships.

Registration has also started for the 21<sup>st</sup> Annual AADE Golf Tournament and Membership Drive scheduled for October 4 at Firewheel Golf Club. The registration form is in the newsletter. Food, drinks, and lots of door prizes. This is also one of our two annual fund raisers for scholarships

There were 72 in attendance at the June meeting in Fort Worth. Roi Lam, EnCana Haynesville Drilling Coordinator, discussed their approach to a cost effective rotary steerable directional drilling system. EnCana is using current 6 1/2" tools to drill the tangent or S-curve on pad wells, to gain tool failure and run information to assist with designing and building 5" tools. The 5" tools will have 25° DL capabilities with 400 °F limit. They plan to use these tools in the 6 3/4" build section and lateral. EnCana's ultimate goal is to drill a smoother well path for running casing to bottom, and offset increased tool cost with improved ROP.

The July meeting will be at Brookhaven Country Club. The program will be presented by Lance Lamons, Drilling Manager with Comstock Resources. He will discuss running and cementing casing in the Haynesville Shale. Please bring a guest. It will assist us with planning if you make advance reservations by Friday July 16, per the instructions in the newsletter. Hope to see all of you at the July meeting.

## Making Reservations

**New Reservations Policy** – We are trying to phase out the call in system, and go to an email system. For reservations, email your reservation to: [aadereservations@newtecheng.com](mailto:aadereservations@newtecheng.com).

When making your reservation by email, give the name/s and company of each attendee. Often times the voice messages are hard to understand. Going digital should help eliminate discrepancies in the spelling of names, and generally aid us in meeting preparation and record keeping. To use the call in number, dial 800-221-4826. When you get the main recording, push \*, then 3778, then #...leave your name and company after the AADE announcement.
