## The President Speaks

By Steve Mamerow

I would like to update all of you on our scholarship program for the school year 2003-2004. I mentioned in the last newsletter that we awarded over \$14,000 to deserving students to assist them in continuing their education. Your board met and agreed to double the awards based on the availability of funds from our Sporting Clay and Golf Tournament events. This is an effort to prudently manage our budget as well as reward capable students who will continue in our industry in the future. Congratulations to all of you in the DFW Chapter for your contributions and support.

Our annual golf tournament this past October 6<sup>th</sup> was another huge success! John Gault provided some excitement with his hole-in-one and \$5,000 prize! Congratulations John, and THANKS to the Golf Committee for their usual great work on this annual event!

Our speaker next month will be Congressman Joe Barton. He is the Chairman of the Energy Sub Committee and will try and address the 9-11 attacks and the ongoing war against terrorism and their effects on our industry. Please pass the word to fellow members and encourage them to attend.

I also want to let everyone know that the 25<sup>th</sup> Louisiana Gulf Coast Oil Exposition (LAGCOE) is scheduled for October 28-30, in Lafayette at the Cajun Dome and Convention Center. Please support this industry event with your attendance. More information is available at their website – [www.lagcoe.com](http://www.lagcoe.com).

I hope to see you at the next meeting on November 19<sup>th</sup>, and if you haven't made plans for this year's Christmas Social, see the announcement in this newsletter.
