## *The President Speaks*

By Mark Prestridge

Wow! A cool fall! I don't know about you, but fall is my favorite week of the year in Texas. Leaves sometimes give a hint of color before they drop off the trees. You'd think that with all the wind we've had lately, that those leaves would blow on over in my neighbor's yard. Never seems to happen though. The cool weather brings the smell of that heater firing up the first time of the season. Christmas decorations out in the stores before Halloween. Yes, time is moving quickly!

It's also election season. But by the time you read this, it will be over for this year. We need to keep our priorities straight and exercise our right to vote even though we are busy. There is plenty to do; choosing the right thing to do becomes the challenge. One individual life may be of priceless value to God's purposes, and yours may be that life.

This month we have Wayne Jones of ReedHycalog with us to discuss hole-opening solutions. It'll be good to go over the basics, and then hear the latest thoughts from an expert on how to do this the "right way." See you at the meeting!

## *Making Reservations*

[New Reservations Policy](#) – We are trying to phase out the call in system, and go to an email system. For reservations, email your reservation to: [aadereservations@newtecheng.com](mailto:aadereservations@newtecheng.com).

When making your reservation by email, give the name/s and company of each attendee. Often times the voice messages are hard to understand. Going digital should help eliminate discrepancies in the spelling of names, and generally aid us in meeting preparation and record keeping. To use the call in number, dial 800-221-4826. When you get the main recording, push \*, then 3778, then #...leave your name and company after the AADE announcement.
