## *The President Speaks*

By Steve Limke

Another month has rolled by and its time for the May meeting. I'm sorry I missed the last meeting, but I had business to take care of in West Virginia. The boom has hit there also, if case you were wondering.

This month's meeting will involve elections for the coming year and there will be several different names on the ballot. We would all like to see more participation in the organization from industry personnel and there are a lot of us in the area now. I'm pretty sure we will be electing a new President this year, since I have indicated that I am unable to run for another term. There will also be elections for 1<sup>st</sup> & 2<sup>nd</sup> VP, Treasurer, Secretary and some Steering Committee slots.

We will be meeting at the LCCC again on May 17<sup>th</sup> starting at 4:30 pm for the program and elections. The board will meet @ 3:30 pm.

I have enjoyed my term as President and appreciate all the help I have received. Changes in my job and personal life have made me do some soul searching and I realize I need to reduce some of the commitments that I am currently devoting my time too. I will still be involved in the AADE organization and will help however I can. Hope to see everyone at the meeting.

All the best,  
Steve Limke

## **Making Reservations**

**New Reservations Policy** – We are trying to phase out the call in system, and go to an email system. For reservations, send your reservation to: [aadereservations@newtecheng.com](mailto:aadereservations@newtecheng.com). When making your reservation by email, give the name/s and company of each attendee. Often times the voice messages are hard to understand. Going digital should help eliminate discrepancies in the spelling of names, and generally aid us in meeting preparation and record keeping. The 800-221-4826-reservation number is still available, but our goal is to phase out the call-in number ASAP. Thanks for your cooperation.
