2nd ANNUAL AADE GOLF TOURNAMENT

The second annual AADE golf tournament came off once again last Thursday, but this time with a slight hitch. Rain caused a two and one half hour delay but after it subsided, fun was had by all. There were a total of 28 teams who registered with 26 teams actually participating. We want to thank each and every person who was involved for his and her participation. Special thanks go out to Boots & Coots for the great fajitas, Cactus Drilling for the wonderful shish kebobs, Premier Tool for the terrific sausages and last but not least, FMC Technologies for the tasty beef brisket sandwiches. Also praises need to be given to Bill Boykin, Cathy Roark, Chuck Henkes and Charlie Kuziak for their help far above and beyond the call of duty. We hope everyone had a great time. We want you to participate in next year's bigger and better tournament scheduled for June 23rd, a Friday. Put it on your calendar now. Thanks to everyone again.
