## Results from the AADE/MC Golf Tourney

"The 4th annual AADE golf tournament was played at Cimarron Trails Golf Club on a hot August 13th. At least it didn't rain for a change. We appreciate the record turn out of 132 golfers despite the heat. As far as we know there were no heat related casualties and that may be a direct result of the drinks on the course being provided by Tom Bridenstine of Preferred Containment Services LLC. On behalf of all of the attendees, we thank you very much Tom. Also keeping you cool was Geree Wald with her wet towels along with her helper Rebecca Lederman. In addition we have to thank Joe Lindsay and his crew from Premier Downhole Tools for the great sausages and beverages they provided along with the crew from Cactus Drilling for the pork chops and beverages. The ice cream drive up bar sponsored by FMC was great also. The Cimarron Trails staff performed magnificently and very professionally and we thank them for their help. The golf tournament volunteers were fantastic and need to be thanked. They are Terry Gilbert, Chuck Henkes, Geree Wald, Rebecca Lederman with Security Bits of Tulsa and David Hottel. Thank you folks for your great help. Ditty bags and a sleeve of golf balls were provided by Weatherford, divot fixers by Bronco Drilling (David Luster), Hamm & Phillips towels by Terry Gilbert, backscratchers and band aids by Plaster & Wald (Les & Geree), koozies from Smith Bits, pens and folders by Preferred Containment and hats from the AADE.

The results of the scoring are attached by team names along with how the placing was finalized with the count back. Also included are the closest to the hole on all par 3's and the longest drive on #11. Congratulations to the first place team from Gyro Data which was captained by Ms. Jackie Reese with a 17 under par round. They won on the countback over Premier Tools II captained by Eddie Adkerson who also shot 17 under. Great playing by both teams.
