## **A Word from the President:**

The October meeting will feature Mr. Steve Carroll with ConocoPhillips. He will be presenting "Bakken Drilling in North Dakota". We are absolutely thrilled that ConocoPhillips has offered to come out and discuss their Bakken drilling program at our meeting. As everyone is aware, it is difficult to get operators to come out and present a particular topic at our meetings. Kudos to ConocoPhillips for stepping up to the plate this year. We really appreciate their support of the Permian Basin AADE.

The Texas Tech AADE student chapter will also host the first annual golf tournament at the Rawls Golf Course in Lubbock on October 21, 2011.

We are still looking for teams and sponsors for this tournament. I encourage you to come out and play a great golf course and meet the Texas Tech students. They are a very energetic bunch and a lot of fun to be around! Please contact Bobby Smith or myself if you are interested in participating and/or sponsoring the tournament.

### **TTU AADE Monthly Update:**

The AADE Texas Tech chapter went back into session for the educational year 2011-2012 on August 25<sup>th</sup>. The Texas Tech chapter started this year with the engineering Kick Off event on campus. It was used to introduce and recruit upcoming and current students in Petroleum and other engineering departments to AADE. During that event eighty-five new paid members joined our chapter. This year our membership rate has increased by more than 40 percent from last year. Currently we are at 170 members.

During the month of September our chapter held two meetings with Baker Hughes and Exxon Mobil. In October we started our meetings with Schlumberger and we are expecting Rising Star on the 19<sup>th</sup> and Weatherford later this month. The Texas Tech chapter is holding a golf tournament on October 21<sup>st</sup>. We have planned a rig tour for the end of October with Schlumberger.
