From the President by Samir Patil, Petrotechnical Resources Alaska - samir.patil1985@gmail.com

Hello Everyone!

I hope 2017 has started well for all of you. We’ve got a full docket of AADE events coming up for our members. We have the Operator’s forum coming up in February, and this year, we have had so much interest from operators that we are planning on trying to hold a second Operator’s forum so that we can give everyone a chance to present to you. With all the new discoveries coming from the operator’s working in Alaska, there’s a lot to hear about. We also expect to be scheduling the annual Contractor’s forum so that you can hear about new plans and technologies that some of our local O&G Contractor companies are planning to provide.

Thank You to Trevor Hyatt for also planning the AADE Governor’s cup social. Grab your tickets today for a chance to hang out with your fellow AADE members for some pizza and beer, and then join them as
we head to Sullivan Arena to watch the first Anchorage Home Game in the Governor’s Cup Series for 2017. Details are presented below for you to sign up today.

We also have the 2017 AADE Fin Fur or Feather Food Festival being planned again for 2017! This is going to be the 15th annual event so let’s make it a big one. We’re already getting interested parties signing up for cooking team and sponsorship opportunities, so don’t hesitate to join in so that we can generate a fantastic event for everyone again!

Thank You, and looking forward to seeing you at any of the upcoming events!

**AADE Student Scholarships and Food Charity Grants**

Thanks to the volunteer support and sponsorship of the Alaskan Oil & Gas Industry and the folks employed by the industry, we had another successful Fin Fur or Feather Food Festival in June 2016. The money earned from putting on the event went to providing $2500 Grants to the following local Food Charities:

**Downtown Soup Kitchen**
**Bean’s Café**
**Kid’s Kitchen**

Many of you have worked directly with, volunteered at, or contributed directly to one, or all of these fantastic charities and you know that they are doing great work to help the less fortunate in our community.

In addition to supporting these charities, AADE teamed up with SPE this year to collectively award student scholarships to High School students and College students this year, totaling $25,000. Congratulations to the following students to whom scholarships were awarded:

Once again, Thank You for your volunteer efforts, your support, your participation and your patronage. We hope that you will be able to be a part of F5-2017!
