Drilling Successes During Horizontal Wells Subject of Oct. 19 Meeting

_Brammer Drilling Engineer to Focus on Cotton Valley at General Meeting_

**TOPIC:** Shara N. Mayers will discuss drilling successes during horizontal wells in the Cotton Valley formation at 11:30 a.m. Oct. 19 in Lafayette.

Shara Mayers, Drilling Engineer, is a graduate of Louisiana State University with a BS in Petroleum Engineering, and is a Licensed Professional Engineer in the state of Louisiana. Since joining Brammer in 2008 as a Drilling Engineer/Project Manager, she has managed the design, planning, and execution of location construction and drilling operations on numerous locations primarily located in East Texas and North Louisiana. Prior to joining Brammer, Shara worked as a Drilling Engineer for BP America in the Onshore Gulf Coast asset and Deepwater (ThunderHorse Prospect).

The American Association of Drilling Engineers (AADE) Lafayette Chapter will hold its next general meeting 11:30 a.m. Monday, October 19, 2015, at the Petroleum Club of Lafayette. Attendees and their guests with reservations are $20, and walk-ins will be $25. RSVP by noon Friday, October 16.

Scenes From September General Meeting

Chris McLindon gave a presentation on a proposal for the oil and gas industry to do an assessment of its coastal infrastructure at the AADE Lafayette Chapter September General Meeting at the Petroleum Club in Lafayette, Louisiana. Currently, the New Orleans Geological Society is working to advance a proposal for the oil and gas industry to initiate an assessment of its critical coastal infrastructure that is likely to be impacted by relative sea level rise in the coming decades. This was a very informative presentation with more information likely to be available in the near future. And, a full house was in attendance as McLindon shared research...
and data on this important topic. What a great way to start out the 2015-2016 AADE Lafayette Chapter Session. McLindon, center, stands with Lafayette Chapter Treasurer Jarrod Suire, left, and President Alden Sonnier, right, after the presentation.

Meritorious Award Presented

Lafayette Chapter President Alden Sonnier, left, presented Kristy Bonner with the Meritorious Service Award at the September Lafayette Chapter American Association of Drilling Engineers (AADE) luncheon for her generous contributions in advancing the AADE.

Upcoming AADE Events

- **General Meeting:** 11:30 a.m. Monday, October 19
