

## PERMIAN BASIN CHAPTER

### Hello All Shooters!

It's time to sign-up for the **22nd Annual AADE Sporting Clay Shoot**, scheduled for Friday, June 4th, 2021 at Windwalker Farms benefiting the Engineering Scholarship Program.

### Message from the AADE Permian Basin President:

#### Greetings!

I have sincerely missed our gatherings over the last year and am excited to report that we will begin hosting in-person luncheons, events, parties, and technology workshops in the very near future. 2020 was indeed a very trying year that had a very adverse effect on our industry. While recovery has been slow and uncertain it does appear to finally be on the horizon. I hope that each of you have made it through the last year as well as possible and that you share my excitement in being able to meet in person as a group again. That being said the AADE Board has put together some exciting events to finish out 2021.

In May we will be hosting a get back out party at Tall City Brewing Company on Thursday, May 13th from 4:00 to 7:00. Space is limited so please register ASAP when you receive the e-mail for it. Let's get out and grab a cold one to kick summer off and reconnect with friends, acquaintances, and associates we haven't seen in a while! In June we are getting prepared for our annual sporting clay fundraiser to be held on Friday, June 4th at Windwalker Farms. We will have a morning and an afternoon rotation, with room for 360 shooters. There will be lots of great food, and of course guns to give away. I am being told that bulk rifle and handgun ammo will be part of the gun board items this year. And just after that on June 8th will hold our first AADE luncheon of 2021. It is sure to be a hit, as Mayor Payton is going to be speaking about the recovery and what he sees as the state of the current landscape for operators in the Permian Basin. This will be held at Midland Horseshoe in conjunction with the Shale Energy Expo. The Expo is sponsoring our luncheon, so please support them and attend the Expo before or after our meeting.

I look forward to seeing all of you real soon, until then Keep Calm and Drill On!

All the best,

**Cory Frederick**

#### AADE Shoot – Friday, June 4th, 2021

The morning rotation will start at 9:00am and the afternoon rotation at 1:30pm. We will have our **Premium Gun/Ammo Boards** available to purchase squares at sign-in. All door prizes will be drawn and posted during their respective flights. Gun/Ammo Boards will be announced during lunch prior to the afternoon flight. Announcements and Safety Huddle will be at 1:00p. The range is set up for 100 targets per course. Shooters will be squadded (6) on a first come first served basis. Maximum number of shooters for each flight is **180** first paid first slotted. **The shoot will be closed at (360) shooters!**

Please register your team as soon as possible so you don't get left out! If you enter a team, but are not sure of your other shooters, don't wait. Send in your application with the full team entry fee and mark the other shooters as TBA. This will ensure your team entry. Please fill any open positions by June 1st, 2021.

Most of all, we want everyone to have a good time and a safe shoot!

**Permian Basin AADE**
