**The American Association of Drilling Engineers (AADE)
presents the annual Scholarship Golf Tournament at
Carter Plantation - Springfield, LA, Friday October 1, 2021!**

Moved from the spring due to schedule conflicts & Covid-19 restrictions.

The success of the Scholarship Golf Tournament is fundamental to the AADE and our continued ability to provide scholarships and various university projects. In 2019, the AADE raised more than **\$36,000** in scholarships made possible by the continued support from the Oil and Gas community. The AADE will continue with the reduced rate of **\$200 per golfer**, as we understand the fluctuations experienced by the industry!
