Joint SPE/AADE Drilling Study Group Meetings

Drilling Study Group-"Mud Motor Teardown Workshop"

10626 W Reno Ave, OKC, OK, October 12th, 2016, 11:30 AM - 2:00 PM

Presented by Panther Drilling Systems

This unique workshop will give excellent opportunity to get hands-on learning experience on several aspects of motors with having a motor partially assembled along with the inspectors on site for disassembly. Attendees will learn on general applications of motors in directional, and horizontal wellbore, different components of motor, stator rubber types, motor inspections, reline process, motor optimization and other details. Attendees will get the opportunity to see different motor components and interact with on-site motor experts.

Panther Drilling Systems was founded in December 2012. Based out of Oklahoma City, Panther employed nearly 40 people by the end of 2013. In mid 2013, Panther opened the Permian Basin region in Midland, TX. Panther also operates in North Texas, Oklahoma, Louisiana, and Ohio. Lunch will be included in the price of attending this event. (Eligible for PDH)
