

PERMIAN BASIN CHAPTER

Hello All Shooters!

It's time to sign-up for the **21st Annual AADE Sporting Clay Shoot**, scheduled for Friday, October 30th, 2020 at Wind-walker Farms benefiting the Scholarship Program.

Message from the AADE Permian Basin President:

Greetings!

I know that 2020 so far has not been the year that any of us envisioned. If you did envision it this way perhaps you should give up on the oilfield and take up producing disaster movies for Hollywood. It is indeed a trying time for our industry as we are in the midst of a worldwide pandemic that coupled with an oil price war dealt some pretty devastating blows. I will not dwell on the negative impacts 2020 has brought our industry, for each of us know full well how bad it has been. One of the positives that I take comfort in is knowing our industry will recover and persevere, as it did in 1981, 86, 1998, 2008, and 2015. Due to the pandemic we have not been able to host any AADE activities this year. Fortunately we are now able to hold our annual clay shoot and golf tournament in October! I look forward to seeing you all at these events. We also hope to be holding a few virtual workshops/discussions between now and the end of the year, so please be on the lookout for further information on them. Hopefully in the near future we will be able to resume our regular luncheon meetings.

For our golf tournament and shoot this year we have reduced the entry fees, as well as the cost to sponsor the events. We are also waiving the \$25.00 AADE membership requirement to attend the events. Our goal for this year is not to raise a lot of money for our scholarship fund with these events, but to be able to host a fun and safe social gathering so that we may be able to network with one another again, albeit from 6' away. As always we sincerely appreciate the support of our members and sponsors. As we attend these events AADE requests that you follow the state and federal Covid-19 guidelines for social distancing and hygiene. Since the events are outdoors masks are not required, but if you feel like wearing one by all means please do so. If you have any input or questions about AADE and how we plan to move forward as the industry improves please get in touch with myself or any board member, we are here to serve you!

All the best,

Cory Frederick
