Hello again members of the West Coast Chapter of the AADE. June is upon us, and that means we are close to half way through what has been an interesting, and trying, 2016. The AADE Board cannot thank all of you enough for your continued support through these tough times, and I am hopeful that the $50 oil I see this morning is a sign of good things to come.

The board would also like to thank Mr. Davis for joining us last month, and for helping us all beef up our knowledge on cement isolation. Proper isolation is very important for well integrity and longevity, but it is also becoming a sticking point in regulatory conversations, and we greatly appreciate your insight on the matter.

I hope everyone had a great time at the Steve Thomas Semi-Annual Shoot. I was unable to attend the event, but I heard it was a great time yet again. We ended up having 22 teams and multiple sponsors this year, and the heat even managed to hold off until after the event! The board cannot thank the participants, sponsors, and Five Dogs enough for this great event year after year.

The 4th Annual AADE Invitational BBQ Cook-Off and Scholarship Awards Night is finally upon us! Please join us from 5pm to 8pm on June 16th at the Italian Heritage Dante Hall for an evening of fun for the entire family. Once again we will have several bar-
becue teams vying for their shot to take down our three
time reigning champion, Tubular Inspection. With 5
teams in the mix this year, I know it will be a close
competition with some really delicious barbecue. Most
importantly though, at the barbecue we will be honoring
the great students that have received AADE scholar-
ships this year. We are very proud of the hard work
and dedication of the students, and this event is the
time for us to show it.

Thank you all again for your continued support, and for
taking the time to read our newsletter every month. I
look forward to seeing you all at the BBQ!

Sincerely,
Craig Hossfeld
CRC
