**The American Association of Drilling Engineers (AADE)
presents the annual Scholarship Golf Tournament at Carter
Plantation - Springfield, LA, Friday September 29, 2023!
Dedicated to Steve St. Amand**

In honoring the memory of our beloved friend, mentor, and Drilling Engineer, the AADE Annual Scholarship Golf Tournament on Friday, September 29, 2023, in Springfield, LA has been dedicated to Steve St. Amand.

Steve received his bachelor's degree from University of Louisiana Lafayette in Petroleum Engineering. He was a member of AADE, SPE and API. He had over 40+ years of a successful career in the Oil and Gas Industry. For those who had the pleasure of knowing him, he was a friend and mentor in the industry.

In his personal life he loved to cook for friends, family, and co-workers. He enjoyed traveling and watching LSU and Saints games.

Steve passed away in September 2022, and as a tremendous supporter as well as former AADE Board member, Steve had readily recognized that the success of the Scholarship Golf Tournament was fundamental to the AADE and its continued ability to provide scholarships and various university projects.

Please join Steve's wife, Janel, for a round of golf, sharing fond thoughts and memories of Steve, while raising funds for Engineering scholarships.
