Join AADE for the Annual Scholarship Golf Tournament at Carter Plantation in Springfield, LA, on Friday September 27, 2024.

In memory of our beloved friend and mentor, Steve St. Amand, this year's tournament honors his legacy. Steve earned his bachelor's degree in petroleum engineering from the University of Louisiana Lafayette and was a dedicated member of AADE, SPE, and API. With over 40 years in the Oil and Gas Industry, Steve was not only successful but also a cherished friend and mentor to many in the industry. Beyond work, he enjoyed cooking for loved ones, traveling, and cheering on LSU and the Saints.

Steve's passing in September 2022 deeply affected us all. As a former AADE Board member and avid supporter, Steve recognized the importance of the Scholarship Golf Tournament in funding scholarships and university projects.

Please join us for a memorable day of golf as we celebrate Steve's life and raise funds for Engineering Scholarships.
