

University Student Poster and Presentation Contest

Abstract –Deadline: December 31, 2023

Submit completed abstract form abstracts online at www.aade.org. Students will need to create a new account to sign in and submit their abstracts under the “University Student Poster and Presentation Contest” tab. In case of issues with the online submission, abstracts may be mailed Jessica.Ramirez@bakerhughes.com.

Abstract Guidelines – Abstract should be 250 words or less, non-commercial. Submitting an abstract indicates that:

1. Authors must be a current student and in good standing academically in their respective department.
2. Authors are expected to register.
3. Each author is expected to acknowledge any sources outside their own work by proper reference.
4. If selected for publication, the author(s) will sign a transfer of copyright statement prior to publication.
5. The paper will be non-commercial in nature and of interest to the conference attendees.

Deadlines

- Dec 31, 2023 — Abstracts will be due.
- Jan 15, 2024 — Authors will be notified of acceptance.
- Mar 29, 2024 — Posters and Presentations will be due (upload to www.aade.org).

Poster Title	
Corresponding Author(s)	
University	
Mailing Address	
City/State/Zip Code	
e-mail	
Phone	
Co-Authors	
AADE Chapter Affiliation	
Faculty Representative	

Indicate topic(s) that best describe your paper:

- | | | |
|---|--|---|
| <input type="checkbox"/> Automation | <input type="checkbox"/> Case Histories | <input type="checkbox"/> Cementing and Zonal Isolation |
| <input type="checkbox"/> Completion Fluids & Spacers | <input type="checkbox"/> Corrosion | <input type="checkbox"/> Data & Analytics |
| <input type="checkbox"/> Deepwater | <input type="checkbox"/> Digital Transformation | <input type="checkbox"/> Digital Solutions |
| <input type="checkbox"/> Displacements | <input type="checkbox"/> Drill-In Fluids | <input type="checkbox"/> Drilling Fluids |
| <input type="checkbox"/> Emerging Technologies | <input type="checkbox"/> Environmental Initiatives | <input type="checkbox"/> ESG |
| <input type="checkbox"/> Fluids for Extreme Conditions | <input type="checkbox"/> Fracturing Fluids | <input type="checkbox"/> Geothermal Fluids |
| <input type="checkbox"/> Gravel Pack Fluids | <input type="checkbox"/> Hole Cleaning | <input type="checkbox"/> Hydraulics & Rheology |
| <input type="checkbox"/> Lost Circulation | <input type="checkbox"/> Open Hole Completions | <input type="checkbox"/> Regulatory Compliance |
