

AMERICAN ASSOCIATION OF DRILLING ENGINEERS

FLUIDS 2024

April 16-17, 2024 | Marriott Marquis | Houston, Texas

THE PREMIER
TECHNICAL CONFERENCE
AND EXHIBITION

The future is *fluid*~

CALL FOR ABSTRACTS !

"The future is fluid. Each act, each decision, and each development creates new possibilities and eliminates others. The future is ours to direct." - Jacque Fresco

Discover new possibilities.

Converse with your industry peers at the 2024 premier fluids conference.

Share your technical knowledge and expertise on fluids for Drilling, Completion, Cementing and Fracturing.

Submit an abstract related to one of our diverse set of technical topics for consideration. Detailed abstract guidelines and submission information can be found at:

www.aade.org

SUGGESTED TOPICS:

Automation
Case Histories
Cementing and Zonal Isolation
Completion Fluids & Spacers
Corrosion
Data & Analytics
Deepwater
Digital Transformation
Digital Solutions
Displacements
Drill-In Fluids
Drilling Fluids
Emerging Technologies
Environmental Initiatives
ESG
Fluids for Extreme Conditions
Fracturing Fluids
Geothermal Fluids
Gravel Pack Fluids
Hole Cleaning
Hydraulics and Rheology
Lost Circulation
Openhole Completions
Regulatory Compliance
Recycling and Reuse of Fluids
Solids Control Technologies
Sustainable Initiatives for Fluids
Test Equipment and Procedures
Underground Storage
Waste Management
Wellbore Integrity
Wellbore Stabilization

September 30, 2023

Abstracts will be due

October 20, 2023

Authors notified of acceptance

February 16, 2024

Papers will be due

March 15, 2024

Slide presentations will be due

STUDENTS

Students in good standing with their academic departments are invited to submit a maximum 250-word abstract on a non-commercial topic of interest at www.aade.org using the link for Student Poster and Presentation Contest.

December 31, 2023

Student abstracts will be due

Those students selected to participate in the poster and presentation competition will be notified of acceptance by

January 15, 2024
