Our Pledge to Our Customers:

Trinity Safety Company pledges to continually strive to provide the highest quality standards, expertise, and customer service.

We stand behind the promise to always help our customers protect life, property and the environment. There is no greater responsibility of a business than to get all employees safely home to their families each and every day.

The Trinity Safety Company family sees your responsibility as ours and will work tirelessly to ensure we achieve this mutual goal together.

Together, we’re Taking Energy Further™

Nalco Champion, an Ecolab company, offers a singular focus on providing specialty chemistry programs and related services for upstream, midstream and downstream oil and gas operations. Through onsite problem solving and the application of innovative technologies, we deliver sustainable solutions to overcome complex challenges in the world’s toughest energy frontiers. Together, we’re taking energy further.
