Hello fellow AADE West Coast Chapter members! As summer is winding down and kids are returning to school, it’s time to get back into the swing of things and start our monthly technical forums once again.

First, I’d like to thank Wyatt Shipley for the excellent job he did last year. He’s left big shoes for me to fill, and I hope to do as well as he did. I’d also like to thank the board for selecting me as president and all the members of our chapter for your faithful support.

On June 22nd we had our John Howard Memorial BBQ Cook-off and Scholarship Award Night. Congratulations to Tubular Inspection on their fifth win in a row! This year we gave away scholarships to 35 students totaling $27,500! This wouldn’t be possible without the involvement of our membership, so thank you all again.

I’m proud to announce that this month we will have Assemblyman Vince Fong speaking at our technical forum. Assemblyman Fong is coming in to report about goings on in Sacramento that affect all of us. The last time he was with us was before he was elected, so I look forward to what he has to say. He is always candid and quick to answer questions, so you won’t want to miss this meeting!

I hope to see everyone at the technical forum and throughout the year ahead. And I am excited to serve you as your president.

Sincerely,
Clayton Gossett
CRC
Guest Speaker: Vince Fong  
(Assemblyman, 34th District)

Born & raised in Bakersfield, CA  
Graduate from West High School  
Undergrad from UCLA  
Masters from Princeton University
