

2021 AADE-UH Sporting Clays Tournament

***Due to ammo scarcity, 12 gauge shells will be provided, we cannot provide 20 gauge shells.**

Dear Industry Partner,

On behalf of the American Association of Drilling Engineers University of Houston Student Chapter, we would like to invite you to our 2021 Sporting Clays Tournament on Friday, May 21st. We have had the privilege of excellent industry support in the past, so it would be our honor to host you at this upcoming event. Not only will this be a great opportunity for companies to meet University of Houston students within the engineering department, but it will give our students personal interaction with professionals associated with the drilling industry.

By participating in this fundraiser, you and your organization will not only help UH students connect with the industry, but your involvement will also provide funds that will go towards member benefits, chapter operations, and community service projects.

The 2021 Sporting Clays Tournament will be held at Westside Sporting Grounds in Katy, TX. We will have four industry representatives per team. Additional information about AADE-UH can be found on the following link: <http://aadeuh.org/>
