

AADE Houston Chapter Drilling Technology Committees (DTC) Meeting Sponsors

The AADE Houston Chapter Drilling Technology Committees (DTC) are seeking corporate sponsors for the 2023 meeting year. A commitment of \$600 helps defray the costs for the DTC meetings, as members can attend the meetings free of charge.

If you wish to be a part of the DTC sponsorship team, please complete this form. All corporate sponsors will be acknowledged for their participation on a PowerPoint presentation which will run prior to the start of each meeting. Your company name and logo will be used. All companies who have joined our sponsorship team will be recognized in this PowerPoint presentation and listed on the AADE Houston Chapter website, meeting announcements and social media.

Check the group you would like to sponsor:

_____ Fluids Management Group *and/or* _____ Innovative and Emerging Technology Group

Please submit sponsorship forms as soon as possible.
