From the President

Dear members,

I want to thank everybody for all the help at the 6th annual John Howard Memorial Cook-Off that we had on the 18th of October. It was a great turn out and the weather was perfect! The amount of work that all the volunteers put into it is quite amazing. I know some people started setting up at sunrise and didn't leave till well after sunset. You all made it a great experience for all that attended including several families. We also had a lot of donated raffle items and it was cool to see the kids reactions winning a new bike or a new BB Gun.

For the first time in 6 years we had someone edge out the 5 time defending BBQ champions, Tubular Inspection. Robin's Enviro Vac took down the title this year while Tubular Inspection took second and Baker Hughes took third. We were all able to have a fun evening and great food while raising money for scholarships to kids and families with students entering into majors associated to our industry.

I'm sure one of these kids will take my job someday...

We will now be getting together on November 2nd for a Clay Shoot at 5 Dogs Shooting Range. Total Western will be starting the morning out with donuts, coffee and juice. Kenai Drilling will be providing lunch and Golden state drilling will be donating belt buckles to the winners.

Titan Oilfield Services will be holding a separate rifle prize on the course. They will be holding a rifle shooting station where there will be a gong in the distance that will test your skills. The raffle prize will be a Ruger 6.5 Creedmoor with a scope. We will have several other raffle prizes that will be drawn at the end of the event. I look forward to seeing all of you out there.

Thanks,

Matt Kyles
