From the President

Dear members,

We had a great social event at Kan Pai recently on September 27 where we all had a chance to get together and talk about how our industry is picking up and our social lives had all but disappeared because of it. The Los Angeles Rams also entertained us by beating up on the Minnesota Vikings that evening, Go Rams! I would like to thank Ensign Energy Services, Titan Oilfield Services and Rig Runner for sponsoring the event and others for bringing in some cool raffle prizes that we get to take home as proof to our spouses that we weren't just out goofing off...

We have another great event that I'm super excited about coming up on October 18th. The 6th annual John Howard Memorial Cook-Off will be held at the Italian Heritage Hall at 4415 Wilson Road, 93309. We will have eight companies that have graciously volunteered to take time out of their work week to BBQ for all of us. So a special thanks to the following companies:

Baker Hughes
 Excalibur Well Services
 Halliburton
 Miocene Engineering
 Melton Construction
 San Joaquin Bit
 Trinity Safety Company
 Tubular Inspection

Tubular Inspection is the reigning 5 time champion of the event with their slow cooked brisket! Not only will there be plenty of good BBQ but there will be a bounce house for the children, face painting and some cool raffle prizes.

Please join us starting at 5PM with the whole family. The weather should be perfect!

Thanks,

Matt Kyles
