## From the President

Hello members of the AADE West Coast Chapter. We have made it through some trying times these last couple of years but it seems as if the oil price is stabilizing and the industry is ramping up because of it. I hope the rest of this year and years to follow is the start of a new bull market in the oil industry.

I want to welcome Rick Dannis and William Baumann as new members of the AADE board. Rick is the Area Manager at Ensign Energy Services and William is a Production Engineer at Macpherson Energy Corporation.

We have some great events scheduled for the duration of the year and would like to invite everyone to come and join us.

September 27<sup>th</sup> we are hosting a social event at Kan Pai where we can network and socialize. Rig Runner, Titan Oilfield Services and Ensign Energy Services has been kind enough to host the event and donate some raffle prizes.

October 18<sup>th</sup> we will be hosting the John Howard BBQ cook-off at the Italian Heritage Hall. This is a great family event where we will have bounce houses and face paint-

ing for the kids, not to include great BBQ for all. This should be a great turnout as the weather should be perfect!

November 2<sup>nd</sup> we will have a Clay Shoot at Five Dogs Shooting Range. Please sign up early and prove to everyone that you're the best shot in the bunch.

As a reminder we hold these events so we can give back to future generations to follow in our footsteps by donating money to the Pyle's Boys camp, Taft High School Oil Technology Academy, and most of all scholarships to college students majoring in subjects associated to our industry. We would not be able to do this without the help from all the members of the AADE so I want to thank you for your continued support and look forward to seeing everybody at the social on September 27<sup>th</sup>.

Thanks,

Matt Kyles
