From the President

It's already June and it certainly feels like it outside. As temperatures rise please remember to drink plenty of water, and remind anyone working for you and your family members to do the same. The year has been passing quickly. 2018 has been an exciting year so far and has me optimistic for the future.

Our last meeting was a social at Kan Pai and had a good turnout. If you weren't there you missed a chance to get together with industry friends and have fun. We also had our Spring Clay Shoot last month. We had 19 teams compete and gave away some great raffle prizes. I want to thank our sponsors, teams, and any prize donors. And a special thanks to Kenai for providing an amazing taco lunch.

On the 21st we will be having a special meeting at the Rice Bowl. We will be awarding our scholarships to hardworking students. Make sure you RSVP early. We will also be giving members the opportunity to sponsor dinner for a recipient or their guest. In an industry with such sharp ups and downs it's important for us to support students that will go on to contribute to oil and gas. I'd

like to thank our members and community that participated in any events this last year for your contribution to making these scholarships possible. You can also support our scholarship fund and help yourself out as well by advertising in the newsletter. And if you haven't done so yet, don't forget to renew your AADE memberships for 2018.

As always, I'd like to thank all our members for your continued support and involvement. Thank you all for the opportunity to be able to represent you as your AADE President.

Clayton Gossett
