From the President

Dear members,

We are off to a great year so far. Oil prices are starting to come around and drilling rigs are starting to pop up more frequently. It really seems as if our industry is stabilizing and allowing confidence to grow within the industry. With the price of Brent in the mid-seventies, I expect that budgets within the operators will start to grow and business will be buzzing shortly.

We have a busy May ahead of us with a few great events and hope that you all will join us. On May 16, we will have Precise Downhole Services presenting at the Rice Bowl. On May 17, we will have the Clay Shoot at 5 Dogs Shooting

Range. Then on May 31, we will be having a AADE versus API Cornhole tournament at Stockdale Country Club.

Please come out and represent the AA-DE while raising money for scholarships!

Thanks again,

Matt Kyles

Guest Speaker

Nathan Frederick
President of Precise
Downhole Services

Nathan Frederick, President of Precise Downhole Services, began his career more than twenty years ago beginning as a field technician in the drilling sector. He moved into the down-

hole instrumentation industry in 2005 quickly advancing to Senior Field Supervisor with Halliburton Well Dynamics where he had the opportunity to learn from industry leaders in downhole instrumentation systems. In 2010, Nathan, with partners Mike Sollid and Mike Melnychuk, founded Precise Downhole Services Ltd. with a vision to expand current knowledge and application of downhole instrumentation services to the Alberta SAGD market. In short order, Precise Downhole Services established itself as the leading Thermal Well Monitoring company within Alberta.

“We have expanded our company via market share, product diversity, engineering support and industry-leading temperature and pressure sensor development. We are now well positioned to export our proven products and services to both the thermal and conventional recovery market nationally and internationally.”

January 17, 2019

Dear Friends:

We are pleased to announce that the annual Pyles Boys Camp BBQ will be held Saturday, May 11, 2019, at the R.M. Pyles Boys Camp Kern River Group Picnic area from noon until 5pm. We are excited about this year's fundraising event and hope to have great support from our industry partners. While we know it's a tough year for operators and service companies this year, we hope you will still enjoy the spectacular food and the great camaraderie among your peers and their families, by making Pyle's your summer company picnic. Please come out and enjoy a beautiful day in the park and to support an organization with a rich history of guiding at-risk young men – *"Daring Boys to Become Men."*

Listed below is what you can expect at this year's event:

- Kid friendly events including bounce house, face painting, balloon art, and more
- *Super* raffle prize of a flat screen TV (One *Super* raffle prize ticket will be included with your meal ticket but you must be present to win.)
- Exciting raffle prizes including kids' bicycles (tickets will be sold at the event)
- An outstanding tri-tip dinner by Jim Roberts and his gang of cooks
- Testimonials from Pyles campers about the life changing experience of camp

How can you help make this event a success?

- Purchase tickets and enjoy a great day in the park, win prizes, and support the Camp (tickets are \$15 for the Tri-tip dinner and includes one chance for the *Super* raffle prize)
- Make the event your company summer picnic – purchase tickets for your employees and their families (by the way, kids 12 and under eat free ☺)
- Donate money to go toward the purchase of raffle prizes
- Donate a raffle prize
- Make a contribution toward sending a boy to Camp and provide year-round programming (\$2,500 per camper)
- Become a sponsor in support of the Pyle's' mission (www.pylescamp.org)

Sponsors for the event will receive recognition with logo banners at the event and in all subsequent promotions for next year's event. The sponsorship levels are Platinum (\$20,000), Diamond (\$10,000), Gold (\$5,000), Silver (\$2,500), Bronze (\$1,000), and Partner (\$250 - \$999). Pyles is a qualified 501(c)3 non-profit organization.

Please join us in supporting the R.M. Pyles Boys Camp dream that began in 1949, to give boys an opportunity to reach their potential.

Sincerely,

Alan White
