Need another reason to join the AADE New Orleans Chapter?

Here are our **TOP 5 REASONS** you should be an *AADE local chapter member!*

- 1. Stay Informed:** The local chapter's monthly general membership luncheons offer a unique opportunity to stay up to date on trends in drilling; concerns facing the oil and gas industry; ongoing legislation; and changing regulations. Plus, hear insights from operators and learn what the competition is working on. And, attendance at monthly AADE meetings counts as continuing education credit for Professional Engineers (PEs).
- 2. Work the Room:** Networking and getting in front of your customers and prospects is essential in these trying economic times. Where else can you see 80 to 100 oil and gas industry professionals in one room for the price of lunch at a restaurant? The local chapter's monthly meetings are extremely well attended, and we frequently see new companies and names on the guest list. AADE monthly events also offer a great networking opportunity for job seekers and students soon to be joining the oil and gas workforce.
- 3. We Support Education:** Following our mission to provide a forum for the exchange of information on drilling related topics, the local chapter has provided ongoing financial support to many state university petroleum engineering departments. To help petroleum engineering students gain oil and gas knowledge, the local chapter has assisted with scholarship money; numerous building and equipment donations; funded industry event participation; and provided financial support for other student efforts.
- 4. Fun and Fellowship:** AADE coordinates a few fun-raising events that have become local favorites including the Annual Scholarship Sporting Clays Tournament and the AADE Fin Feather Fur Food Festival. Additionally, AADE hosts a Golf Tournament, too. Get the inside scoop on participating and sponsoring these events before anyone else.
- 5. Giving Back:** Over the years, the AADE New Orleans Chapter has helped many people in our local communities. Through the Toys for Tots program, AADE has helped many area families have an even brighter holiday over the years. Help us continue to be able to give back!
- 6. AND ONE BONUS REASON:** It's only \$25: Where else can you get so much for just \$25? In these rough economic times, it is important to get the best value. As costs are cut, your AADE membership is worth continuing. AADE has kept its annual dues low to ensure its membership can continue to participate.
