

AADE Permian Basin Scholarship – Fall 2025

Deadline July 31, 2025!

Dear Students, Faculty, Staff and Community Members,

As a reminder, the application will be uploaded to DropBox, will not require official documentation from the school (until after application is accepted for award), and a resume can be uploaded to streamline the application process.

Additionally, this scholarship is intended to be automatically renewed for each qualified applicant each semester with evidence of meeting the continued scholarship requirements (GPA, major etc) and student status. At this time, we will only be accepting applications for current undergraduate students.

Please contact your school liaison with any additional questions or concerns.

Thank you,

AADE PB Scholarship Committee
