The Mid-Continent Chapter of the AADE is pleased to announce the Fin, Feather, Fur Food Festival (F5)

We invite you and your spouse to join us for a night of networking at this unique cook-off competition that gives cooking teams a chance to show off their culinary skills and enjoy an evening with the Mid-Continent Oil & Gas Community. As an attendee you will get the opportunity to taste all of the dishes prepared and there will be drinks for purchase.

The F5 is open to both service company vendors and operators that will cook food to be sampled by those in attendance. Each cook team will be asked to prepare a dish that is a Fin, Feather or Fur. Guest judges will sample and judge each entry and select a winner for the best food and the attendees will pick a Fan Favorite!
