Get your Companies & Teams together, and LET'S GET
COOKING!

This unique cook-Off competition gives local cooking teams a chance to show off their culinary skills, favorite recipes, and showmanship. Help our local chapter raise funds to support scholarships for local students, and our local food charities working to combat hunger in our community.

Event Details

- Cost - \$250 Entry Fee for Cooking Teams or Vendor Exhibits
 - Reserves 1 (one) 20' x 25' booth space
 - 6 Entry Tickets. Each member of your team must have an entry ticket
 - Recognition at the event
- Each team typically consists of 4-6 core cooks/helpers (Note: Any number of team members can assist in your booth, but an entrance ticket is required for each team member. Entry fee includes 6 tickets; additional tickets can be purchased)
- Competition and Awards:
 - 1st Place Food: Selected by judges for best food.
 - People's Choice Award: Selected by popular vote from the people.
 - Showmanship Award: Selected by Event Planning Committee/Volunteers based on best decorations and general booth enthusiasm.
 - Best Dessert: Selected by popular vote from the people (dessert is optional).

Cooking Team Information

- We anticipate 1500 Attendees over the course of the day, especially if the weather is good! Word has been spreading fast about this event, and it may possibly be more!
- Each Team must be prepared to serve, at a minimum, 500+ samplings of food. The idea for individual teams in regards to quantity of sample served is, "Feed 'em; Don't fill 'em!" We will not restrict any team from making large serving sizes, but please be aware of the fact that we may experience large attendance. Use your judgement when planning!
- **Cooking Teams MAY NOT serve Alcohol to any event-goers!** AADE will be providing alcohol to ticket-holders of age (that purchase a drink cup), and will have TAM-certified volunteers managing the Beer Garden. Cooking Teams are entitled to the same alcohol that will be provided to ticket holders that purchase a Beer/Wine Cup. Cooking Teams are also allowed to bring their own alcoholic beverages to the event and consume them at the event, but they must remain for the consumption of the team only!
- Each Team is responsible for supplying:
 - All Booth Supplies: Tables, chairs, booth decorations, canopies, etc. (Booth Dimensions will be a minimum of 20' wide (front) x 20 – 25' deep)
 - All serving bowls/plates, napkins, plastic silverware necessary for your food items
 - Minimum of 1 (one) large trash container to be placed in front of each booth, with a sufficient supply of heavy-duty bag liners
 - Grills, stoves, chuck-wagons, and other necessary cooking and heating equipment. (Please inform AADE if special accommodation may be necessary due to size of equipment planned)
 - If propane will be utilized:
 - Tank must be connected to grill/heating element with a **MINIMUM 10 FT long propane hose**
 - Tank must be secured to the grill and kept off the ground. If unable to do so, the tank must be placed in a container to keep it out of direct contact with the ground. The tank must be kept 10 FT away from the flame, and the hose must be secured to the ground to prevent a tripping hazard. Past experience has shown that Duct Tape is quite effective. Cooking Team will be responsible for providing container and duct tape.
 - Tank must not be expired (Date of expiry is on handle)
 - If cooking oil will be utilized:
 - Please ensure that you bring a container to safely dispose of used oil.
 - At least one fire extinguisher must be maintained at all booths. Anchorage Municipal Fire Regulations mandate that each booth must have a 2A10BC Fire Extinguisher that is tagged/certified within 1 year of the event date
 - If cooking oil is being utilized, the cooking team must additionally retain a Class-K Fire Extinguisher (Silver) – if you do not already have one let Greg Hobbs know if you need one, we are renting them.

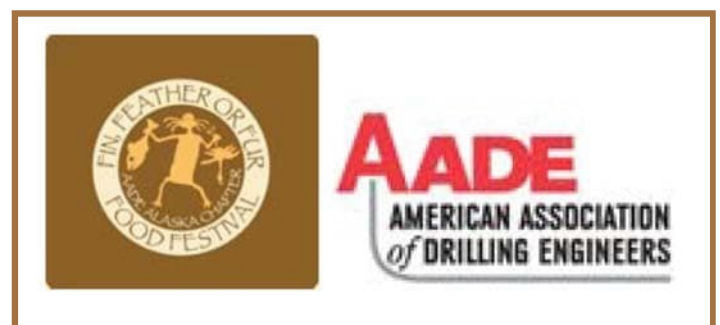

- Booth trash disposal will be performed by AADE Volunteer Crew during the event.
- AC Power will not be made available. If your booth will require power for either entertainment, cooking or serving, you may bring a generator and place it behind your booth (quieter models are requested).
- Each Team should plan on having people on site to begin set-up of their booth by 8:00 – 11:00 AM on the day of the event. **Vehicle Access to the Booth Areas will end at 3:00 PM SHARP!**
 - All equipment must be set up and taken down/removed the day of the event. No equipment maybe set up the night before or left overnight after the event.
- Each team is responsible to clear/dispose of their leftover food, cooking oils, coals, etc. Clean up, and departure from the premises is required by 9:00 PM
 - Please inform AADE if your team intends to use Hot Oil. If so, please ensure you have a plan for disposal of Hot Oil after the event.
 - Food that is still in sealed containers may be donated to local food banks. Any prepared food or food in containers that have been unsealed will not be accepted by the local food banks as donations.
- Trophy/Prizes will be awarded promptly at 7:30 PM
- Additional Event Details will be communicated to all registered teams prior to the event. Any changes in information will also be relayed to teams in a prompt manner to facilitate planning.

Want to register, but don't have all your team details figured out?
DON'T WORRY! Complete the attached form with your basic information and our committee will coordinate with you. Don't forget to consider Sponsorship Opportunities as well!

We look forward to hearing from you and request you sign up through AssociationSphere or send registrations to [Greg Hobbs](mailto:Greg.Hobbs@cop.com)
