2019 AADE Scholarship Golf Tournament

Friday, May 10, 2019

Carter Plantation Golf Club

The American Association of Drilling Engineers (AADE) presents the annual Scholarship Golf Tournament at the Carter Plantation - Springfield, LA, Friday May 10, 2019! The success of the Scholarship Golf Tournament is fundamental to the AADE and our continued ability to provide scholarships and various university projects. In 2018, the AADE raised more than \$34,000 in scholarships made possible by the continued support from the Oil and Gas community. The AADE will continue with the reduced rate of \$200 per golfer, as we understand the fluctuations experienced by the industry!

Sponsorship Levels

Platinum Sponsorship Package

\$2600 Single Logo Banner (Tournament Sponsor) + 4 person golf team

Gold Sponsorship

\$1,500 – Top Billing on Sponsorship Banner

Silver Sponsorship

\$800 – Sponsorship Banner

Bronze Sponsorship

About the Bob Freeman:

Bob Freeman was a Charter Member of the American Association of Drilling Engineers (AADE). He was an officer of the organization in New Orleans, the founding Association and was instrumental in creation of a National structure and expansion to Lafayette, Houston, Dallas the West Coast and each other Chapter added. He was elected Director Emeritus and then served as Executive Director, annually appointed and elected by the National Board of Directors, for nineteen years until he resigned due to failing health. He was subsequently elected Executive Director Emeritus. He served on most New Orleans Chapter and National committees, coordinated Insurance through National for all the Chapters and provided leadership during struggling times when Chapters needed oversight or guidance.

Among numerous other honors, Bob was awarded the Meritorious Service Award and then the Outstanding Service Award by the National Board. These are AADE's highest honors. The New Orleans Joint Oilfield Industry Association recognized Bob with the American Petroleum Institute (API) Delta Chapter Meritorious Service Award. Bob was the first recipient of the Bob Freeman Outstanding Leadership Award, the highest honor given by the New Orleans Chapter. His impact on the industry and AADE is immeasurable.

2018 Christmas Social

Last year at our Annual Christmas Social, we honored and award all 2018 scholarship award winners. The Nola AADE chapter also delivered all the collected toys to Marines Toys for Tots. Thanks to a successful 2018!

Be a Member of the AADE New Orleans Chapter

It Is Time to **Renew** Your AADE Local Chapter Annual Membership — Or **Join** for the First Time

RENEW [your New Orleans Chapter membership](#)

JOIN [the AADE New Orleans Chapter today, if you are not already a member](#)

The American Association of Drilling Engineers offers a forum for the exchange of information among its members, student members and others in the industry. The New Orleans AADE Chapter hosts monthly general membership luncheons where programs are presented by knowledgeable industry leaders on key topics in the oil and gas industry and drilling sector.

Annual membership in the AADE New Orleans Chapter is \$25 per person.

To join or renew your membership in the New Orleans AADE Chapter, please [click here to renew and pay dues online](#) or visit <http://www.aade.org/chapters/> to print and mail in your renewal with a check.

**RENEW YOUR AADE
MEMBERSHIP TODAY!**

Need another reason to join the AADE New Orleans Chapter?

Here are our **TOP 5 REASONS** you should be an *AADE local chapter member!*

- 1. Stay Informed:** The local chapter's monthly general membership luncheons offer a unique opportunity to stay up to date on trends in drilling; concerns facing the oil and gas industry; ongoing legislation; and changing regulations. Plus, hear insights from operators and learn what the competition is working on. And, attendance at monthly AADE meetings counts as continuing education credit for Professional Engineers (PEs).
- 2. Work the Room:** Networking and getting in front of your customers and prospects is essential in these trying economic times. Where else can you see 80 to 100 oil and gas industry professionals in one room for the price of lunch at a restaurant? The local chapter's monthly meetings are extremely well attended, and we frequently see new companies and names on the guest list. AADE monthly events also offer a great networking opportunity for job seekers and students soon to be joining the oil and gas workforce.
- 3. We Support Education:** Following our mission to provide a forum for the exchange of information on drilling related topics, the local chapter has provided ongoing financial support to many state university petroleum engineering departments. To help petroleum engineering students gain oil and gas knowledge, the local chapter has assisted with scholarship money; numerous building and equipment donations; funded industry event participation; and provided financial support for other student efforts.
- 4. Fun and Fellowship:** AADE coordinates a few fun-raising events that have become local favorites including the Annual Scholarship Sporting Clays Tournament and the AADE Fin Feather Fur Food Festival. Additionally, AADE hosts a Golf Tournament, too. Get the inside scoop on participating and sponsoring these events before anyone else.
- 5. Giving Back:** Over the years, the AADE New Orleans Chapter has helped many people in our local communities. Through the Toys for Tots program, AADE has helped many area families have an even brighter holiday over the years. Help us continue to be able to give back!
- 6. AND ONE BONUS REASON:** It's only \$25: Where else can you get so much for just \$25? In these rough economic times, it is important to get the best value. As costs are cut, your AADE membership is worth continuing. AADE has kept its annual dues low to ensure its membership can continue to participate.

**RENEW YOUR AADE
MEMBERSHIP TODAY!**

- AADE is an all-volunteer organization made up of an affiliation of independent chapters licensed by the National Board.
- Thank you for your support of the New Orleans AADE Chapter! We look forward to your continued participation in 2019!
