## From the President

Greetings Members,

I wanted to start out by thanking everyone that joined us last month for the social we had at the Pour House. We had a very good turnout, and it is nice to see things slowly getting back to normal. I also want to thank Ensign, Geoguidence, Valley Wellhead and San Joaquin Bit for sponsoring the social, we greatly appreciate it.

I want to congratulate Titan Oil services for winning the people's choice and Trinity Safety for Judge's Choice at the John Howard Memorial BBQ on September 16th. A huge thank you to DiDrill for donating the bounce house for the kids, Valley Wellhead for the beans and drinks and everyone who donated to the raffle.

I also wanted to mention the Taft Oil Academy. I was able to attend their annual BBQ on September 27th to present them with a \$1500 check. It is truly amazing what they are able to accomplish for being

the only High School chapter of AADE.

While we have not had the opportunity for a technical meeting lately, we do have quite a few events scheduled for the next few months. A list of events is included later in the newsletter.

As I mentioned, things getting back to normal and that includes the industry. It seems like companies are picking back up which is good news for everyone. I know that regulatory issues are still a large hold-up but hopefully something will start to get better on that front. Time will tell. Hopefully the worst of downturn is behind us and everything continues to improve.

In October we will not be having a meeting but we will be having our Fall Golf Tournament on Friday, October 22nd. If you have issues registering please contact Chad Hoggard (661-889-3362) or Rick Dannis (720-937-6198). Hope to see everyone out there!

Thanks,  
Bernadette Jurica
