

2026 FLUIDS

THE PREMIERE TECHNICAL CONFERENCE AND EXHIBITION

7-8 APRIL 2026 | MARRIOTT MARQUIS | HOUSTON, TEXAS

CALL FOR ABSTRACTS
& CASE HISTORIESEXPLORE NEW POSSIBILITIES.
SHAPE THE FUTURE OF FLUIDS.

Join industry leaders, innovators, and peers at the premier fluids conference of 2026.

Share your technical insights on Fluids, Drilling, Completions, Cementing, and Fracturing.

Submit an abstract on one of our wide-ranging technical topics for a chance to present at this year's event.

Presenters will be offered a discounted rate for conference passes.

Abstract guidelines and submission details available at www.aade.org

Abstracts due by **September 26, 2025**

Authors will be notified of acceptance by **October 24, 2025**

Papers due by **February 6, 2026**

Powerpoint presentations due by **March 6, 2026**

SUGGESTED TOPICS

- AI & Modeling for Fluids
- Alternative and Novel Fluid Products
- Case Histories
- Cementing, Zonal Isolation & Well Integrity
- Completions
- Corrosion Prevention
- Digital & Real-Time Solutions
- Fluid Management, Logistics & Optimization Fluids
- Fluids for Challenging Wells
- Formation Evaluation
- Fracturing Fluids
- Health, Safety, & Environment (HSE)
- HTHP & Geothermal Fluids
- Innovative Fluid Chemistries
- Lost Circulation, Wellbore Instability & Well Control
- Lubricants
- MPD/UBD Fluids
- NPT Reduction
- Planning, Permitting, & Regulatory Compliance
- Risk and Cost Management
- Sourcing & Supply Chain Management
- Underground Storage
- Water Management
